*Some Health Insurance providers provide a direct pay option – please check with your Health Insurer.

Please note that most Health Insurance Policies provide an annual Outpatient Claim option where Outpatient expenses (including all of the Radiology examinations above) can be reclaimed by providing receipts. The amount reclaimed varies with the individual policy, and any unclaimed amounts can then be claimed against income tax.

Please call 021 4542473 with any other exam or price query.
